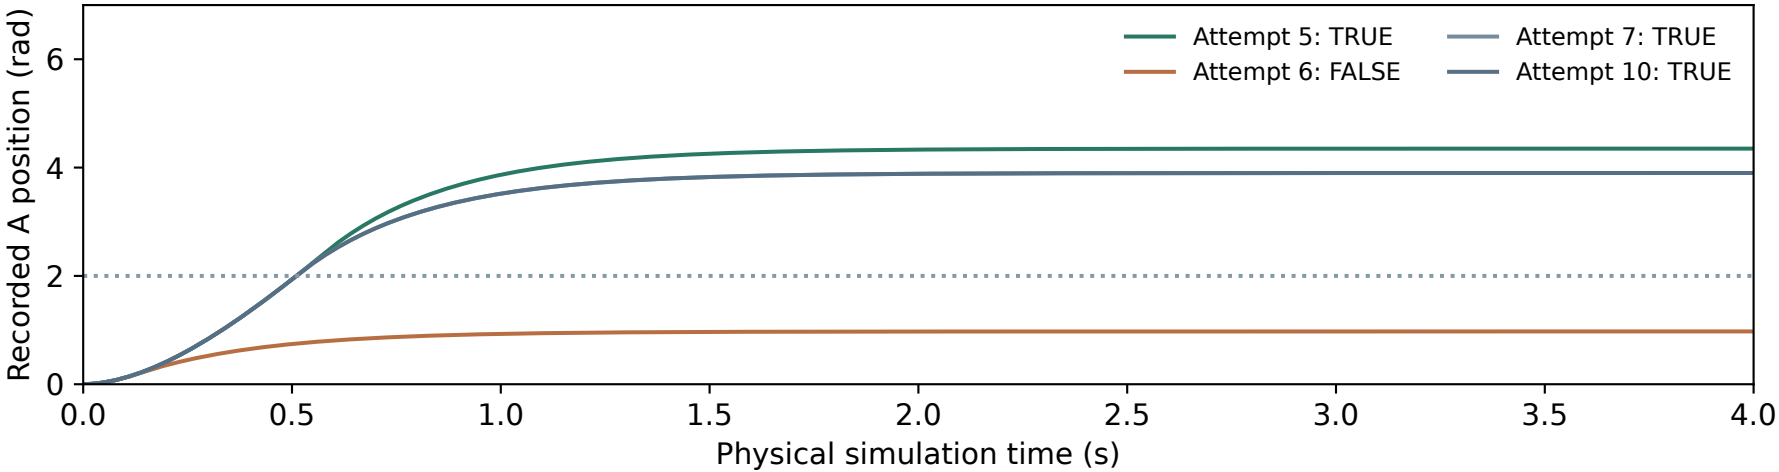
A Stale support can change the original trigger



B Delivered evidence and contradiction reset

Attempt 5	Prior: drop	After: drop
Attempt 6	Prior: drop	After: effective
Attempt 7	Prior: effective	After: effective
Attempt 10	Prior: effective	After: effective

Illustrative matched installation; actions changing the full-power reference cannot pass the original contract.
Evidence is public and delivered. An unobserved fault change is not given to the controller; all retries remain charged.
